## Kayleigh wins a treat

**KAYLEIGH** Norman got a special treat on her last visit to the dentist.

The lucky seven-year-old from Crynant became the 500th person to take advantage of a community travel scheme, and was rewarded with theatre tickets and vouchers.

Kayleigh signed up for the Dulais Valley Community Car Service so she would not miss her dentist's appointment.

The service can take people anywhere they

want in the area and is cheaper than a taxi.

Project co-ordinator Kerry Lane said: "She used the service, accompanied by a family member, to keep a dental appointment in Ystradgynlais. She was unable to use public transport, as there was no service available at the time she needed to travel."

Anyone with a transport difficulty is eligible to join the scheme by calling Kerry or Christina on 01639 751007.
